

CONSUMABLES

2009

The Renault Trade Partners Programme

The most useful tool in your workshop has to be the Renault Trade Partners Programme.

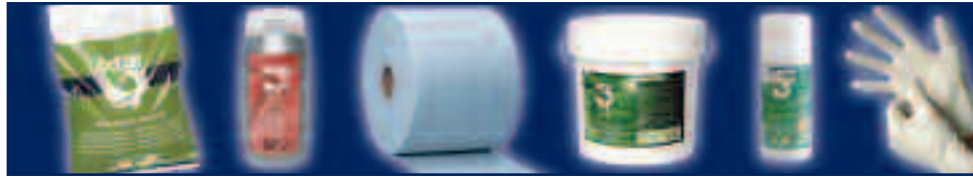

Our network of Trade Centres has access to a vast selection of products, including a comprehensive range of quality & competitively priced Ixtar & Motrio consumables.

In addition, all products listed in this brochure count towards our generous Loyalty Programme and with rebates calculated on the retail value of your purchases, it has never been easier to start earning cash back!

Don't forget, Ixtar & Motrio products are available to buy online through Renaultp@rts, Renault's advanced online ordering system. For more information, contact your local Trade Centre or Trade Representative!

IXTAR
PROFESSIONAL PRODUCTS
MOTRIO

Ixtar & Professional Products: Pages 2 - 8

Ixtar has the perfect all-makes valeting solution, offering a complete range of high-quality, competitively priced products that guarantee a professional finish.

Suitable for use on any make of vehicle, Ixtar products are easy to use and are ideal for workshops & bodyshops.

Motrio: Pages 9 - 14

Suitable for use on older Renaults and all-makes vehicles, Motrio offers a competitively priced range of consumable, wear and tear and mechanical products.

Recognised for their ease of use and durability, Motrio products are a “must have” for every Renault Trade Partner!

Air Con Gem

Key Points

- Sanitises & deodorises air con units and vents.
- Eliminates bad smells from the vehicle.
- Orchard apple fragrance.

Field of Application

- Air conditioning unit and vents.

Part Number

95ml 7711 433 554

Ixtar Absorbent Granules For all Floors

Key Points

- For all liquid spills: water, oil, chemicals etc.
- Anti-slip, non-flammable.
- Covers 40-80 square metres.

Field of Application

- For use on floors.

Part Number

10kg 7711 419 663

Ixtar White Spray Grease

Key Points

- Lubricant offering good adhesive properties.
- Resists friction and extreme pressure.
- Water repellent.

Field of Application

- Cables, electric mechanisms, pneumatics, hydraulics, anti-corrosion protection, sun roof, slides, hinges, etc.

Part Number

500ml 7711 275 931

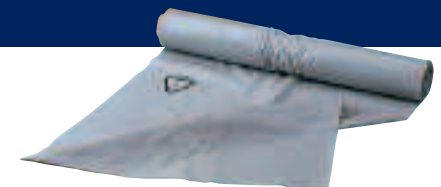

Bin Liners

Key Points

- 110L volume.
- Strong, tear resistant material.
- Ties included.
- 20 bags per roll.

Part Number

Roll 7701 408 460

Ixtar Floor Cleaner

Key Points

- Cleaning and degreasing of all types of workshop floors.
- Suitable for use in car washes.
- Dilution 5% (slightly dirty floor).
- Dilution 10% (very dirty floor).

Part Number

20 litres **7711 227 577**

Ixtar Multilube

Key Points

- Reduces wear and friction.
- Helps combat atmospheric moisture.
- Non PTFE.
- Silicone Free.
- Ideal for hinges and bolts.

Part Number

150ml **7711 275 930**

Workshop Wipes

Key Points

- 200 wipes.
- Size: 320 x 380mm.
- Strong and absorbant.

Part Number

1 Box **7711 237 262**

Polishing & Finishing Wipes

Key Points

- Box of 250 wipes suitable for use with all types of Ixtar polishing, finishing and interior products.
- Size: 450 x 30mm.
- Very soft fabrique, leaves no residue.

Part Number

1 Box **7711 419 505**

Seat Covers Vehicle Protection

Key Points

- Should be used to protect car seats from grease, oil and dust.
- White polythene.
- 15 micron.

Part Number

500 Roll **7711 291 479**

Paper Mats Vehicle Protection

Key Points

- Should be used to systematically to protect carpet.
- High quality craft paper.
- 90 gsm.

Field of Application

- Vehicle protection.

Part Number

300 Mats **7711 172 426**

500 Mats **7711 172 427**

Hand Cleaner

Key Points

- Allows efficient cleaning of hands soiled with grease, oil and tar, etc.
- Softening agents help smooth skin.
- Solvent and Solvent free version available.

Solvent Based Part Number

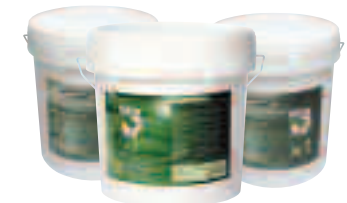

12 litres **7711 419 301**

Solvent Free Paste

12kg **7711 423 030**

Solvent Free Paste

14 litres **7711 423 027**

Paper Roll

Key Points

- Absorption: can absorb upto 8 times their own weight in water and fats; 4 times more than most textiles.
- Strength: high GMS and WS treatment enabling it to resist all types of industrial wiping

Part Number	Colour	Description	Roll Size	Paper Weight	Ply/Sheets per Roll
7711 171 806	Beige	Quality Multi purpose paper roll for hands, dirt & grease	25 x 30	44 g/m ²	2 ply 1000 sheets
7711 171 809	Light Blue	High quality extra absorbent paper roll for bodywork/valeting operations	25 x 35	52 g/m ²	2 ply 1000 sheets
7711 171 811	Beige	Economy multi purpose paper roll for hands, dirt grease and bodywork	21 x 35	40 g/m ²	2 ply 450 sheets
7711 171 812	Beige	High quality multi purpose paper roll for general use	25 x 35	52 g/m ²	2 ply 1000 sheets
7711 172 384	Blue	High quality multi purpose paper roll for bodywork operations	24 x 34	63 g/m ²	3 ply 1000 sheets

Nitrile & Latex Gloves

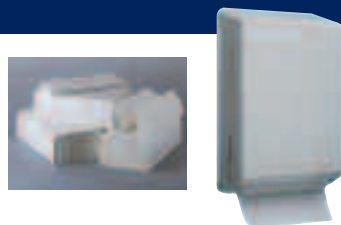

Key Points

- For the protection of hands from workshop chemicals.
- Box of 100 ambidextrous gloves.
- Powdered / powder free.
- 2 sizes: medium / large.
- Quality approved by TUV (Germany), NF Mark (France), CE Marketing (Europe), TGA (Australia), GSB (Canada) and ADA (USA).

Latex		
Part Number	Size	Material
7711 291 074	Medium	Powdered, Smooth
7711 291 075	Large	Powdered, Smooth
7711 291 078	Medium	Powdered Free, Smooth
7711 291 079	Large	Powdered Free, Smooth

Nitrile		
Part Number	Size	Material
7711 275 522	Medium	Nitrile
7711 275 523	Large	Nitrile

Paper Hand Towels

Key Points

- Strong and absorbent.
- Pack of 200 towels.
- Metal wall mounted dispenser available.

Part Number	
1 Pack	7711 237 262
Dispenser	7701 423 871

Copaslip Sachets

Key Points

- High and low temperature anti-seize compound.
- Reduces wear in areas of high friction.
- Available in a box of 50.

Field of Application

- In all areas of high friction e.g. brake pads.
- Where easy dismantling of threaded joints is required.

Part Number	
5g Sachets	7701 389 936

Cable Ties

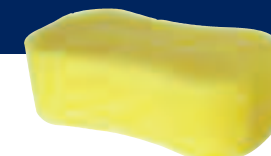

Key Points

- Range of various sizes to suit all requirements.
- Packs of 100.

Part Number	Size (mm)	Colour
7711 291 482	100 x 2.5	-
7711 291 484	200 x 2.9	-
7711 291 485	200 x 7.6	-
7711 291 486	295 x 4.8	-
7711 291 488	295 x 4.8	Black
7711 291 489	370 x 4.8	Silver
7711 291 490	370 x 4.8	-
7711 291 492	370 x 4.8	Black

Jumbo Bone Sponge

Key Points

- High Quality large sponge.

Part Number	
Pack of 10	7711 275 718

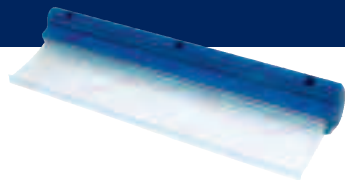

Valeting Blade

Key Points

- Flexible blade that will not damage paintwork.
- Quick and easy to use.

Part Number

1 Blade 7711 422 851

Lambda Oil Primer

Key Points

- Reduces engine wear and improves performance.
- Improves compression ratio by dissolving carbon deposits.
- Coats and lubricates all load bearing surfaces.
- Cleans all types of engines and gearboxes, improving engine performance
- Eliminates contamination which can cause tappet rattle

Part Number

250ml 7711 433 556

Lambda Oil Primer

Key Points

- Cleans, lubricates and protects the entire fuel system including injectors and pumps, leading to improved fuel consumption.
- Maintains and restores engine performance by removing condensation and preventing the growth of bacteria, algae and mould in the fuel tank.

Part Number

250ml 7711 433 557

Lambda Oil Primer

Key Points

- Efficient cleaner for petrol injection systems and pumps leading to improved fuel consumption
- Cleans and lubricates the petrol fuel system, removing condensation to improve fuel consumption.

Part Number

250ml 7711 433 558
